

Assignment

Your instructor may require you to upload digital content for grading. For example, essays, spreadsheets, presentations, webpages, photos, video clips.

Assignments are submitted in Moodle by uploading files into an assignment drop box. Each assignment has a drop box, which is accessed by clicking the particular assignment link off the main course page.

When you enter an assignment, you will see the instructor's description and be prompted to upload your file. To upload a file, click the Browse... button and locate the file on your computer. Click Upload this file. For instructions on uploading files please see Appendix A.
